Memories Of Our Lives

As much as a lot of students hate to admit it, their high school years will be looked upon as the best years of their lives. When looking back into the past five to ten years from now, a lot will be missed and yearned for. Of course there are a few details we will be grateful to be finished with, such as school-work, homework, and finals, but for the most part all of the fond memories and good times will be remembered. Who could forget all of the anticipated Friday nights, coming home from school only to start getting ready to leave again? We would usually attend a football or basketball game to be followed by going to McDonald's or maybe a school sponsored dance. Sharing these times and many others throughout high school with special friends was a big part of each student's life. Extra-curricular activities, clubs, parties, dates, and even going to the beach in the summer were all a part of high school. The everyday events we take for granted now, will soon become the cherished memories of our lives.

LIGHT

To some, the last day of school meant the beginning of a new life. The seniors of today will enter the job market, move away, or become freshmen all over again, but this time in college.

To everyone else, that last day of school meant freedom at last — the closing of the books, shedding the school attire for shorts and T-shirts, and saying good-bye once more to all those favorite and not-so-favorite teachers. It was summer!

Summer was a time of rest and relaxation — lying on the hot, sunny beach, trying for that all-time tan. Fun and activities were everywhere. Riding bikes, playing tennis, going to parties, cruising, swimming, golfing, camping, fishing, and jogging were a few. You could go out with friends any day of the week with no ten o'clock curfew.

Just when life seemed to be carefree and easy, summer came to an end. It was time, once again to get back into the same old routine as last year. All year long, only one thing kept you going — your memories of last summer along with your thoughts of the great one ahead.

As Labor Day approached, the anticipation and tension mounted while students prepared for that first day back to school. Students soon got back into the swing of waking up at 6:30 in the morning, talking in the halls and then rushing to get to class on time, studying, and of course homework. Many students looked forward to returning to another year of football games, dances, and musicals. It was the start of another school year that would soon become "the memories of our lives."

This year students came back to something new, the Epworth Forest Retreat. Forty students and eight staff members of Washington attended the program on September 20 and 21. Its purpose was for the staff and students to work together to point out the strengths and problem areas of Washington High School. The retreat proved to be an important step towards the improvement of W.H.S. It encouraged students to become involved and speak out.

Bottom: Students take time out from their retreat at Epworth Forest Retreat and Conference Center for a smile.

Everyone took pride in their school. Although some didn't show it as much as others did, Washington **did** have a lot of spirited people. This could be seen through the cheerleaders, band, pom pon girls, athletic teams, and especially the fans. The cheerleaders gave their all to cheer their teams on and to help promote school spirit. The pep band and poms entertained the crowds. The athletic teams tried their best to keep up or improve Washington's reputation in sports. And ... the fans ... the most important part. They supported the Panthers in many ways. Whether it was by painting their hair and faces green and white, sporting a Washington High School jersey or just by cheering the teams on when they needed it most.

Washington's student body was one with a great amount of pride and spirit!

Varsity Baseball

"We could've — We should've — We might've — We would've — We will never know how good we were, except deep inside we know. We know we worked and played at a level few men will ever reach or even try."

After being 0-2 in the conference, we won 15 of our next 16 games to win the N.I.C. After dropping a double header to St. Joe and losing center fielder Greg Fozo for the season (we were 6-4 at that time) we won 20 of our next 21 games. Fozo's replacement Mike Katz was injured in the Riley game near the end of the season. Then came our 3rd major setback, the loss of our All-Conference and All-State shortstop Ken Soos to a blood clot. Soos's injury came on the day he was to pitch in the Sectional. We lost that game 2-0 to Clay. It was our 1st shutout in 32 games.

We ended up 26-6, (conference 15-3) winning the NIC crown and the Colonial Classic. Ken Soos (shortstop) and Jeff Turak (outfield) were 1st All-Conference and 1st team All-state sectional. Dan Sacchini (out-field) was 2nd team All-Conference.

The team was ranked #1 in the coaches poll when we returned from our spring trip. We stayed in the top 20 poll all season (the lowest was 12th). We finished ranked 7th in the state.

The team set 10 school records, including longest winning streak 13 games. Most wins in school history — 26. Most stolen bases — 104. Most home runs — 19.

We also had 8 individual school records. Most home runs Jeff Turak — 6. Most runs scored Ken Soos — 42. Most runs batted in Jeff Turak — 44. Most stolen bases Jeff Turak — 30/36. Most bases on balls Jeff Turak — 26. Most wins pitching Ken Soos 9-1-1. Most pitching saves Todd Lane — 5. Most strikeouts pitching Dan Sacchini — 70.

Ken Soos, Jeff Turak and Dan Sacchini were the teams Tri-Captains. These 3 along with Greg Fozo, Dave Jozwiak, Todd Lane and Scott Searfoss were instramental to our team attaining the success it did.

Our top returning underclassmen are Mike Young, Jr. Balderas, Tom Kolacz and freshman Brian Piotrowitz.

B-Team And Freshman Baseball

The 1983 B-team and Freshman baseball teams were an inspiration to all sports fans by both having winning seasons.

The B-team, coached by Jim Kominkiewicz, posted a 13-8 season as they prepared many young men to play varsity baseball in 1984.

The Freshman baseball team dove into a difficult season and surfaced with a 7-1 record. We were proud of our Panther hitters, who coached by Glenn Duddleson, were Freshman League Champions.

Golf

The 1983 varsity golf team was one of the most competitive in recent years. A highlight was the early season when the squad won its first five matches, including wins over NIC foes LaSalle, Mishawaka, and Elkhart Memorial. Later in the year the golfers dropped close, exciting matches to perennial NIC powers Penn and Elkhart Central. Captain Mark Rafalski and fellow seniors Steve LeeVan, Jim Nowicki, and Kevin Rybicki provided excellent leadership. Underclassmen Scott Tafelski and Bob Rzepnicki were also integral players on the varsity.

At the end of the season, Steve LeeVan became MVP, Jim Nowicki earned the Sportsmanship Award, and Mark Rafalski won the coveted Kiwanis Award. Junior Scott Tafelski won the Putting Award and will be a key to future Panter successes in golf. By Coach Watson

Soccer At Its Best

The Washington High School Soccer team came of age this season with a 12-3-1 record and placed third in the Northern Indiana Soccer League. The team was lead by outstanding seniors Armando Flores, Jaime Rangel, Bill Zuber, Karl Jurek, Vince Burkhart, Greg Tomkiewicz, and Rudy Vegh. Exchange students Oliver Manson from France and Ricardo Mussi from Brazil were also contributing factors to the successful season. The team placed third in the post-season SBCSC Invitational Soccer Tournament.

Girls Softball

The 1983 Girls Softball team, coached by Gene Dziubinski, had alot of potential. At times they couldn't put it all together but they still fought to the end. The girls next season should go a long way with the talent of the underclassmen. They bring a great strength to the team.

The starters most of the season were Michelle VanWynsbergh (Capt.), Lori Rothballer (Capt.), Chris Rzepnicki, and Lori Coquitt, Junior Tracy Gray, Sophomores Shelly Tuttle, Sandy Harmacinski, and 3 Freshman Debbie Weiler, Michelle Lewis and Sue Steiner.

The girls who received sweaters were Yolanda Rodriguez, Lori Colquitt, Chris Rzepnicki, Sandy Harmacinski, and 3 Freshman Debbie Weiler, Michelle Lewis and Sue Steiner. Special award winners were: Kiwanis award — Chris Rzepnicki, M.V.P. — Michelle VanWynsbergh, Coach award — Lori Colquit, Batting average award — Debbie Weiler, and Sportsmanship award — Lori Colquit.

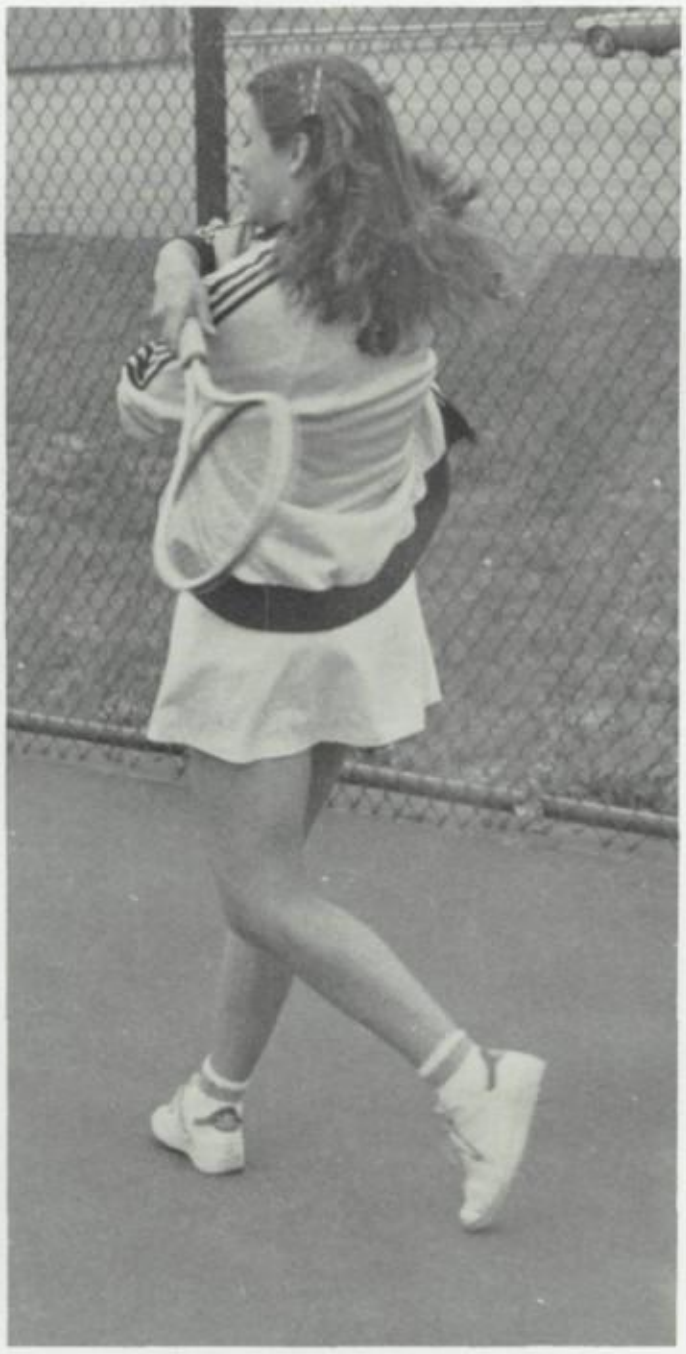
Girls Tennis



In her second year as Panther girls' tennis coach, Ann Dodd worked hard to teach and tone skills necessary to keep Washington High School competitive with other area netters. Inexperience was, as usual, a drawback, but the Panthers served up a 5-10 season, beating LaVille, Mishawaka, Jimtown, LaSalle, and Northbridge. Much was learned to carry over into the 1984 season.

The 1983 track teams were in the running again, proving their abilities to compete with some of the state's best. The boys' record was 0-9, and the girls finished their season with a 2-8 record.

A highlight of the girls' season was the victory of **Kim Kilgore.** Although unfortunately Kim was not selected to the Northern Indiana Conference all-conference team, she proudly proved herself by winning a state championship blue ribbon with a gold medal attached to it for her long jump with a 19-3 leap. Panthers were proud and deservedly so.

Saturday, May 21, was the date set for Washington's Junior-Senior prom. As the day approached, the excitement grew. Many upperclassmen could be heard talking about all the preparations they were making for the big night. Prom is a special night which is filled with many fond memories to each couple that attends.

The theme, as well as the song, were chosed to be "You and I." Maroon and silver were the colors, and the Allen Brothers supplied the music. The great occassion took place in the Great Hall of the Century Center.

As the evening rolled along, couples were dancing, getting their pictures taken or just conversing with each other. Then, it was finally time for the court to be announced. Everyone eagerly awaited the names of the Princess and Queen. **Rosa Aldarondo** was chosen **Princess** and **Gayle Demski** was crowned **Queen.** The 1983 prom was a night to remember.

Annie Get Your Gun

Washington's Drama Club and Music Dept. presented an outstanding musical last spring. The musical was "Annie Get Your Gun" and it provided an evening of dancing, singing and comedy. The musical started with Frank Butler being the best trigger around. A small town girl, Annie Oakley, challenged him and soon became just as famous as he. Annie then fell for Frank and their relationship was closely followed through the musical. Stars of the comedy were Lori Russell as Annie Oakley, Eric Worsham as Frank Butler and Billy Scherpereel as Buffalo Bill.

A Giant Step . . . Graduation

Graduation was a rather emotional time for high school seniors. It was now time for them to leave their high school years behind them and take a giant step towards adulthood. Graduation is a sad time for many since friends tend to go their own separate ways, whether it be to get a job, go to college or join some type of military service. The Class of 83's sponsors were Rita Raben and Peggy Warner. Christine Pecina and Ronald Koszyk were the two Valedictorians. The Salutatorian was Gayle Annis.

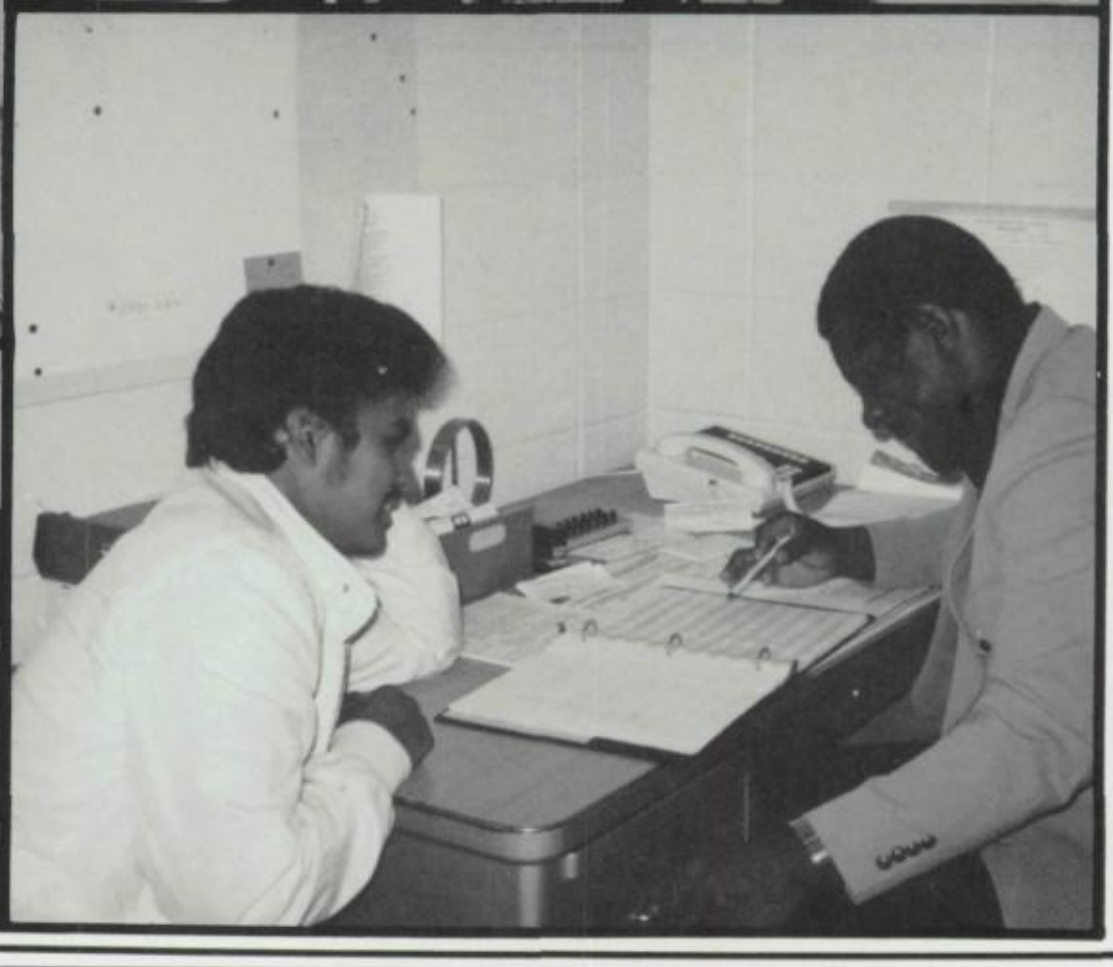
FIRE EXIT



Commander-in-Chief

This school year proved to be another exciting and eventful one for the men at the helm of Washington High School. Mr. Kaser, Mr. Truex, and Dr. Cohen gave the student body yet another year of loyal leadership, preparing us for our life as responsible citizens.

Labs Show Importance

Washington has specialized classes called labs to aid students in their regular classes. These labs provide the extra help that these students require to build and hone basic skills.

Instructing in these labs are PVE: Mr. Aronson, Mr. Mitchem, and Mrs. Soots; Speech: Mrs. Bodle; Reading: Mrs. Lovejoy and Mrs. Swintz; and Learning Disabilities: Mrs. Imler.

Improving Our Language

Essay's, book reports, speeches, grammar, and literature all add up to one thing — English! This year proved to be no different at Washington High School. Once again, the English curriculum at WHS, along with its staff of teachers, strived to improve language skills of the student body.

The Sum Of It All

Everybody loves a challenge, and that's what the Washington High School math department provided for students. Languages Of Our World

Learning a new language is always a fun, exciting, and sometimes frustrating experience. This year, the Washington High School Language Department once again strove to help its students master French, Spanish, and Latin. This year's staff consisted of Mrs. Goldberg, Mr. Guin, and Mr. Pikuza, respectively.

Business

The Business department at Washington seemed to be improving every year, particularly now with the new IOL class where students worked in a simulated business environment for two full class periods.

In addition, Accounting, Business Law, and Typing proved to be interesting courses, but if these classes didn't interest anyone, the Business department also offered Introduction to business, Record Keeping, and Shorthand.

Mrs. Cohen returned to WHS from LaSalle to be the department head and to teach the new IOL class.

Industrial Arts

One of the many Industrial Arts classes was sure to interest someone whether it was Woodshop, Machine Shop, Electronics, Drafting, or Auto Shop.

Whatever the case was, a student was sure to learn some valuable skills in any one of the classes. For some it might be the start of a future career.

Providing For Ourselves

This year Mrs. Leatherman and Miss Warner once again taught their students the importance of good nutrition, varied meals, and the proper way to sew. The Home Economics department also offered classes in Child Development, Family Relations, and a HERO program.

Expressing Yourself Creatively

"Shade this a little more," Mold this like this," and "Curve this line more," were familiar phrases to the Art Department and its student artists. Once again this year, Mr. Weber, Mr. Meunick, and Mr. Pilarski, with patience and aid, polished the raw talent of their students. Photography, Ceramics, Sculpture, Drawing, Basic Art, and Studio Art were some of the courses offered.

Co-Op

The coordinators of these programs were:

Cooperative Office Education — Mrs. Coomes
Distributive Education — Mrs. Van Hulle
Home Economics Related Occupations — Mrs. Leatherman
Industrial Cooperative Training — Mr. Swintz
Intensive Office Lab — Mrs. Cohen

There were many programs offered to students interested in getting an early start entering the working world.

The different programs pertained to what the student was interested in. DE related to retailing. ICT was for those students interested in working in an industrial or medical environment, while COE was for students working in a business related job. HERO was for those involved in any type of food service, and IOL was an advanced type of program for students seriously interested in working in a business type setting within the walls of WHS.

Taking Steps And Making Music

Under the direction of Mr. Lackey and Mr. Vanderhagen, the Washington High School Band and Flag Corp once again graced football fields and parade routes. Many a basketball game was enhanced by the rough-and-tough spirit of the Pep Band, while serene and peppy music flowed from the souls of the Orchestra, led by Mr. Miller. Students who were fortunate enough to add these subjects to their schedules found themselves working hard practicing, performing, and even fund raising.

Singing And Swinging

Coming to WHS in the middle of the school year was difficult for Mrs. Nantkes and the WHS singers, but melodies and lyrics were learned. Performances were an enjoyment for all — for those who listened and for those who participated. Vocal music, as usual, became one of the "Memories of our Lives."

Physically Fit

The WHS Physical Education Department included Mr. Nowicki, Miss Shively, Mr. Solmos, Mr. Szczechowski, and Mrs. Walz. Again, a variety of courses were offered, including Health, Weight Training, PE, and Developmental Swimming. Students definitely had a chance to get "physically fit."

Washington High School owed much to the efforts of our aides and security personnel. The aides were helpful to students and faculty alike, as they made clerical duties easier and more efficient for all. The security people kept our campus safe for all.

Life at Washington High School would have been difficult indeed had it not been for the many meals cooked for us by the hardy cafeteria workers, for the halls, floors, and chalkboards cleaned for us by the custodians, and for the building and grounds heating, cooling, and maintenance done by the engineers. A sincere thanks went to them all.

Football Homecoming began with the traditional spirit week, Monday through Friday. Freshmen through Seniors dressed up for different occasions.

Friday came and everyone was ready to take on the Chargers. The pep assembly boosted everyone's spirits with the decorated gym.

Soon it was halftime at Jackson Field, and all the girls and their escorts waited nervously for the announcing of the 1983 Football Homecoming Queen. Soon that time came. Sharon Bonek and Mark Walker had the honor of announcing Paula Crittendon escorted by Johnnye Love as the 1983 Football Homecoming Queen.

Drama Club 1983-84

This year's 1983-84 Drama Club had many terrific ideas. Drama Director Joseph B. Good helped to put on a smashing play **The Diary of Anne Frank.** Although there were the usual problems of getting everything and everyone together, the November 9th and 10th shows were a success. This year's officers were **Shelley Chrapliwey,** President; **Rosa Aldarondo,** Vice-President; **Sue Duguch,** Secretary; **Jeannie Sayer,** Historian; and **Leann Hoff,** Treasurer. With the help of these six students, the drama club members, and Director Good, this year's Drama Club was one of the best yet.

The 1983-1984 Thespians were made up of the top twenty students who earned points for their dramatic efforts while at WHS. Students in the Thespians were also members of the International Thespian Society and received a monthly magazine. Being a Thespian qualified these select students for appling for scholarships and for attending state and national conferences.

The Thespians were in their second year at WHS, and Mr. Good was their sponsor.

An evening of one act plays was presented on April 27, by the Thespians for the enjoyment of all.

The 1983-84 Student Government

The Washington High School Student Government was an organization which had a purpose of communicating with the students and the administration and exerting influence in all matters concerning students. This group also represented the total school body.

The Student Government consisted of thirty-six members; nine from each class, three of which were Black, three of which were Hispanic, and three of which were White.

Mrs. Moreno was the sponsor again this year.

Varsity Pantherettes

The 1982-83 Pom Pon season ended with the Pantherettes taking third place in the Clay competition.

The 1983-1984 season was found to be rewarding for the Pantherettes as all their hard work selling candy and having a car wash paid for their dazzling new uniforms.

The efforts of Mrs. Pat Rozmarynowski and Mrs. Bev McCammon seemed to have worked, for the Pantherettes delighted all the Panther fans with their performances at pep assemblies, the Band Festival, the Lollipop concert, and various football games.

Under the sponsorship of Karen Lane, assisted by Joyce Bradley, the girls performed at three B-Team football games and all nine home B-Team basketball games.

Their practices began in August and continued through February, and with their hard work and sharing of ideas, this year's squad was an exciting group to watch perform.

Officers worked diligently toward another successful year.

The National Honor Society, made up of the top scholars and leaders of the school, each year works as tutors for students in need of expert assistance. Several fund drives are held each year to earn money to pay in part for the annual dinner held at the Z.B. Falcons in the Spring. At the end of the year they take trips to places like Cedar Point in Ohio or Great America near Chicago.

Basketball

Basketball Homecoming started with Old Man Winter closing school on the biggest day of the basketball season. Flowers along with the traditional pep assembly were put on hold, but nothing kept the court and their escorts from the basketball game.

The 1984 Basketball Homecoming game was against Penn High School on January 20. Homecoming flowers were passed out on January 23, and the pep assembly was held on February 10. **Rosa Aldarondo** was named 1984 Basketball Homecoming Queen.

The Menory Lane staff worked laboriously to complete another volume of the yearbook. The staff helped to provide the students with many treasured memories when they looked back upon their high school days. The yearbook captured the excitement of memories. The staff worked together as a unit, helping each other to successfully meet each deadline.

Mrs. Swintz sponsored the yearbook, and with her efforts she has given everyone a valuable gift. At times it seemed impossible to assemble the yearbook, but she inspired the students to work even harder. The yearbook was a success due to the entire staffs' pursuit of their work. The whole staff has bestowed upon the student body something that can never be taken away — memories of our lives.

The HATCHET staff retained its reputation with the challenges of meeting many deadlines while successfully achieving a respectable newspaper. The HATCHET helped to inform the students and staff of the news within our school, and even some events occurring in the community. Some features that highlighted the issues was the coverage of homecomings, feature stories, sports, and the baby pictures of teachers and students. The newspaper was supported with the subscriptions from students, and the advertisements from corporations in the community.

The HATCHET was directed by Mrs. Marilyn Fodor who has been associated with the HATCHET for seventeen years. Students were used as reporters, photographers, cartoonists, typists, or editors to help meet the inevitable pressures of the bi-weekly publication of the newspaper. The hard work by the staff was rewarded with the useful experience gained that will enable them to pursue possible careers.

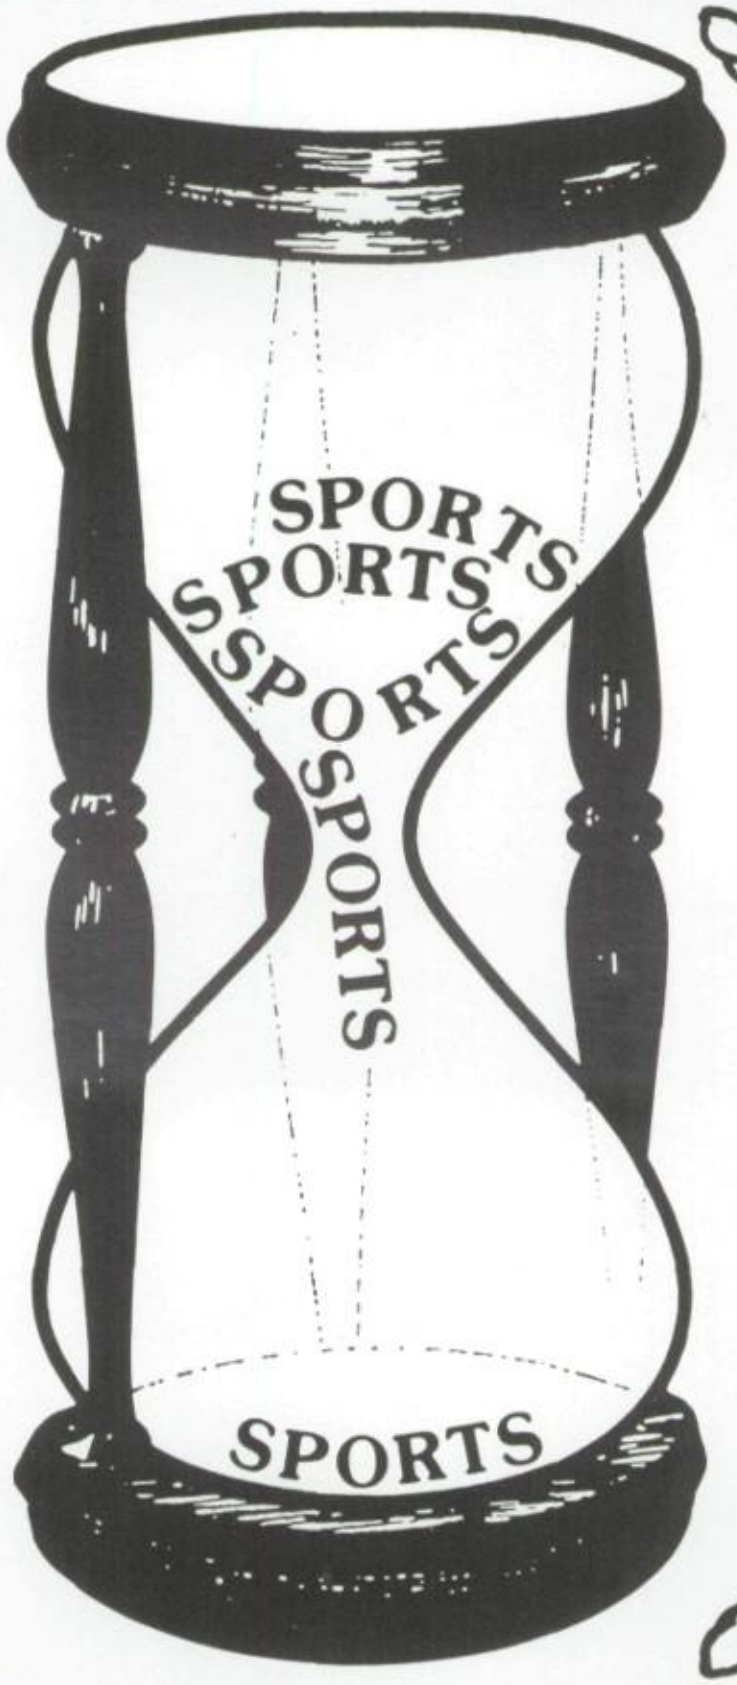
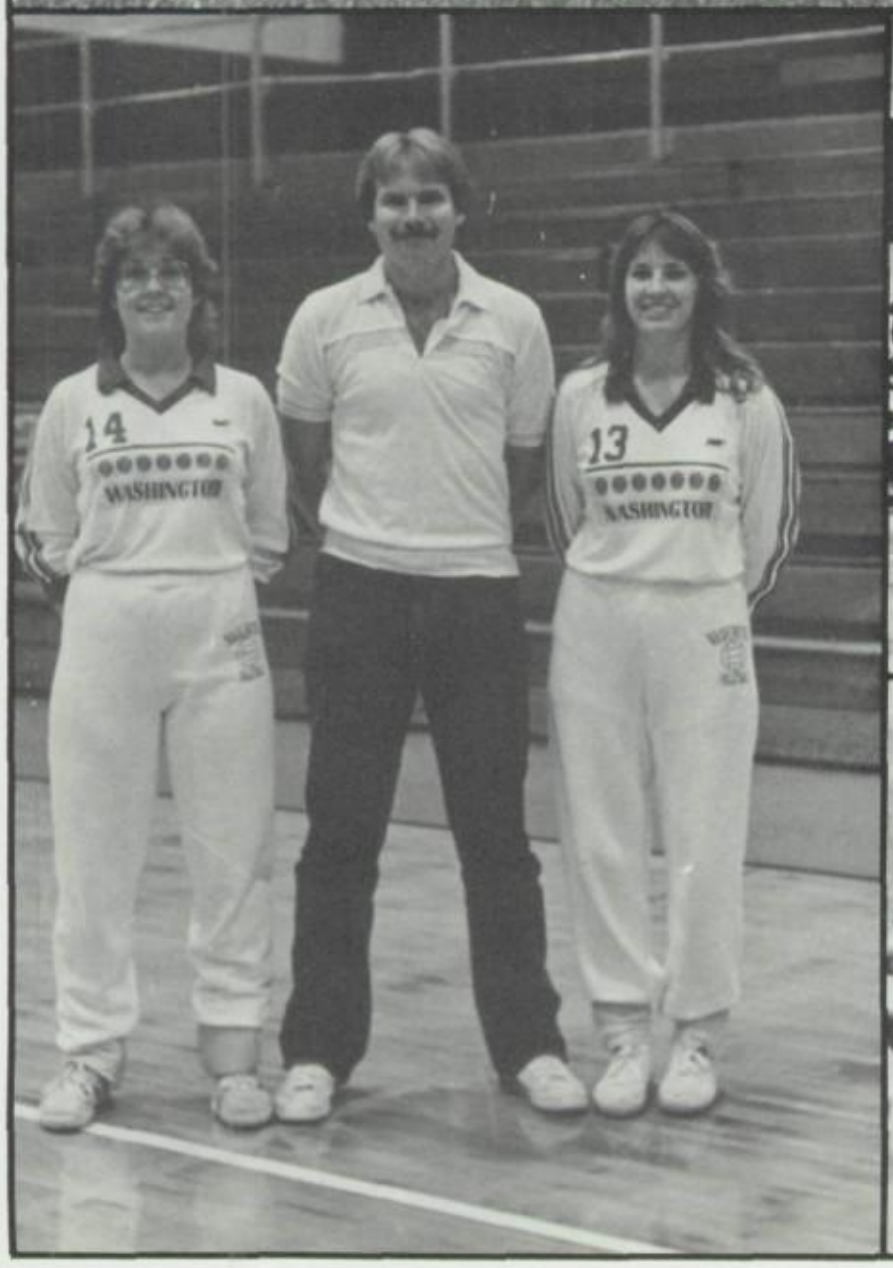
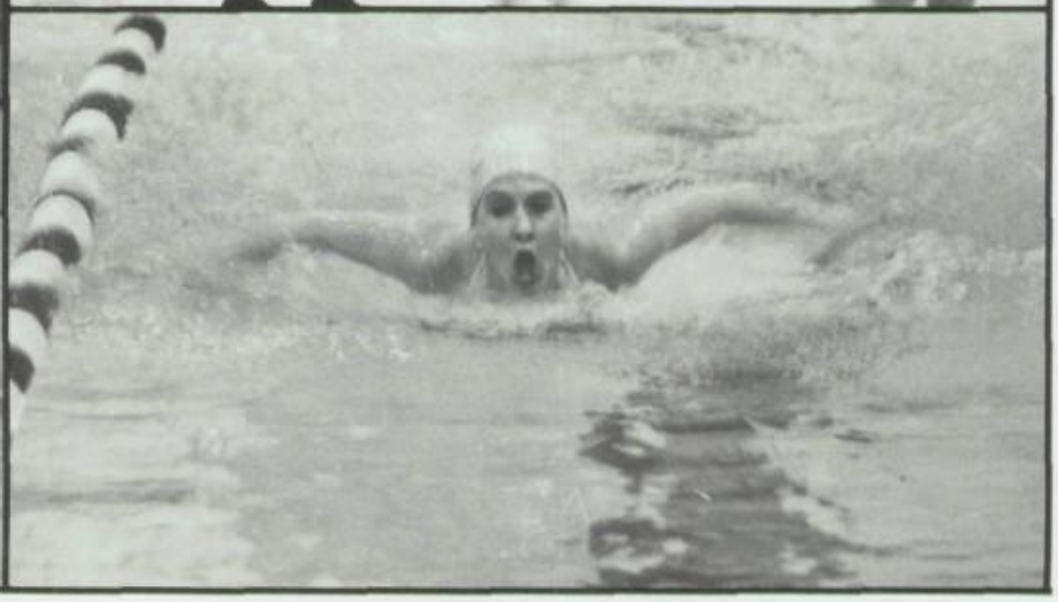
FALL SPORTS







This spring, a number of girls tried out with the high hopes of being chosen as a W.H.S. cheerleader for the following year. They were divided into groups and taught the cheers from the outgoing seniors. After the third day of practice, they were judged.

Once the squads were established, a practice schedule was set up for the summer. The girls worked hard all summer long to learn their routines. By the time our football games came along, the squads had a typically polished routine.

This year's squad had a 60's look. We reverted to having a cheering Panther mascot. The mascot added a new look to the cheers and routines. The cheerleader sponsor, Mrs. Cassie Scherpereel, wanted to bring back W.H.S. tradition. This year's varsity squad of seven won praise from a number of W.H.S. alumni. Always cheerleading from the start to the end, and never giving up, the varsity cheerleaders of 1983-1984 proved again that we are the "Pride of the West Side."

Set It Up And Spike It Down

This years Volleyball Team rode the roller coaster during the regular season. Led by senior co-captains Tracy Gray and Cindy Miko, they compied a record of 3-10 during the regular season. The NIC record of 3-6 was an improvement over last season. Next year shows a lot of promising Juniors and Sophomores and Coach Urban is confident that the team will take a closer step to a sectional title.

In order to evaluate the 1983-84 varsity football season, we asked Coach Larry Szczechowski, in his first season as head coach, to share his feelings with us. Coach "Ski" said the following.

"I was appointed head football coach at Washington about the last week of school (late in May). I met with the players at this time and started a summer weight training and conditioning program. I could see early that we would have a rebuilding year. A lot of athletes were lost to graduation and at most of the skilled positions (linebackers, deep backs, receivers, running backs, and quarterback). We only had four returning letterwinners. The offensive line seemed to be our strongest unit with three returning starters, and the defensive line returned only two starters. The weight training and conditioning ran all summer, three nights per week, but attendance was a problem with a lot of athletes not getting involved. I feel this was due to my late appointment and the athletes not knowing what to expect. When practice started in early August, we started looking to fill the vacant positions, but the biggest shock came when only eleven seniors reported for practice which meant a lot of underclassmen would be seeing a lot of action, and the success of the team would be determined by their improvement. The team did improve as the season wore on but the experience of the opponents coupled with our athletes looking at new coaches and coaching philosophies was hard to overcome. However I am real pleased with my staff and athletes, and I am looking forward with great anticipation to being a part of the Green Machine for many years. It is a great school with super students, athletes, staff, and administration. Through hard work and loyality to the football program, Washington High School will return to the glory that it once knew."

SPORT SPOTLIGHT

Mark Vaughn is a 3 year letterman who has been playing football since the 6th grade. He liked it so much that he stayed with it. Mark says that if he gets a scholarship, he will go to college. If not, he will go to the army.

What was your most exciting game? "Riley. Because I got 2 sacs, and we won the game 13-0.

What advice would you give a freshman? Try hard. Pay attention to the coach.

The 1983-84 Freshmen had a bittersweet season, Although we were 3-6, the Freshmen had an outstanding ball club. Three of the six losses were less than 6 points and were heart breakers. The freshmen were led by Pat Vargo, James Thorpe, and Glenn Meert. Scott Peregrine led the rusher with 74 carries and a total of 483 yards. The freshmen coaching staff included Head Coach, Mark Steinbeck and Assistant Coaches Glenn Duddleson and Jim Szmanda.

SPORT — SPOTLIGHT

Pat Vargo

Pat's family and friends influenced him to play football, and after he started playing he liked it so much that he kept at it.

What has been your most exciting game? "Riley. The game came down to the wire. The Panters were down by two touchdowns and came back and won."

What advice would you give to incoming freshmen? Work hard. Never lose hope. Keep trying, and work as a team.

Captains

The 1983-84 Cross Country teams put forth an impressive effort this year as they compiled 1-12 (boys) and 4-9 (girls) records. The boy's team had only one senior, Mike Kalmar, who was co-captain along with Brian Piotrowicz. Mike's leadership was a great help to the team.

With a solid nucleus returning from this year's team, next year looks promising for Panther Cross Country. According to Coach Alspaugh, the girls' experience will hopefully improve their chances in the conference for the future.

Awards were given to Brian Piotrowicz and Darlene Kelley for Most Valuable runners, to Kymberli Black for Most Improved, and to Larry Shetler for Spirit.

Pure dedication drove the 1983-84 boys' tennis team to the courts each night after school. Hours of practice meant worn out shoes, plenty of sweat and more steps to the perfection mark. At matches, each young man pounded the pavement with teeth gritting determination, rounding up the season with a 5-11 record.

Outstanding performances were by five seniors (Rodney Sniadecki, Mark Walker, Scott Tafelski, Dan Kenkel, and Darryl Corley). Rodney Sniadecki worked his way to Regional.

SPLASHERS

The girls swim team coached by Mrs. Kristy Walz ended the season with a 5-7 record. The team consisted of mostly underclassmen and pulled through with a good season. With only one swimmer leaving (senior, Jennifer Peczkowski) next year's season should be much better.

The team won the New Prairie Invitational tournament.

Stephanie Vanslager broke a school record in the 100 yard butterfly.

We Seniors Look Forward . . .

Chiba, Japan was the hame of Senior foreign exchange student Keiko Kawano. She was hosted by Mr. and Mrs. Cholaj.

Keiko naturally missed her family and friends, but she said that she liked America because the people that she met were friendly. Keiko participated in Volleyball and Tennis here at Washington. Although she had some difficulty with the language, Keiko did well in her classes. The biggest difference between American schools and Japanese schools she said, was the fact that they did not get to pick their own classes. Keiko has made many friends here. The Senior class wishes Keiko Good Luck in the future.

Class Of 84

The Junior Class Of "1985"

The Junior class of Washington High School is anxiously awaiting its final year at WHS.

With the help of their class sponsors, Mrs. VanHulle and Mrs. Peterson, they have raised money for the Junior-Senior Prom in '84 by selling class T-shirts, having car washes, and other fund raisers.

Sophomores The Stars Of 86

The Sophomores with two years to go and with one year behind them were looking forward to being the stars of Washington High School. Just give them the chance and they would be the best. So they wanted us to watch out for the class of "86" because they were going all the way to the top, with no rest. LOOK OUT. HERE THEY COME!

Class Of '87 Take A Step

The class of '87 left their years behind them and stepped into a world of responsibilities and excitement. They came to Washington High School looking for some fun and games, but they finally realized that high school wasn't a joke. It was serious business. Freshmen were found doing themselves a favor, and getting their acts together.

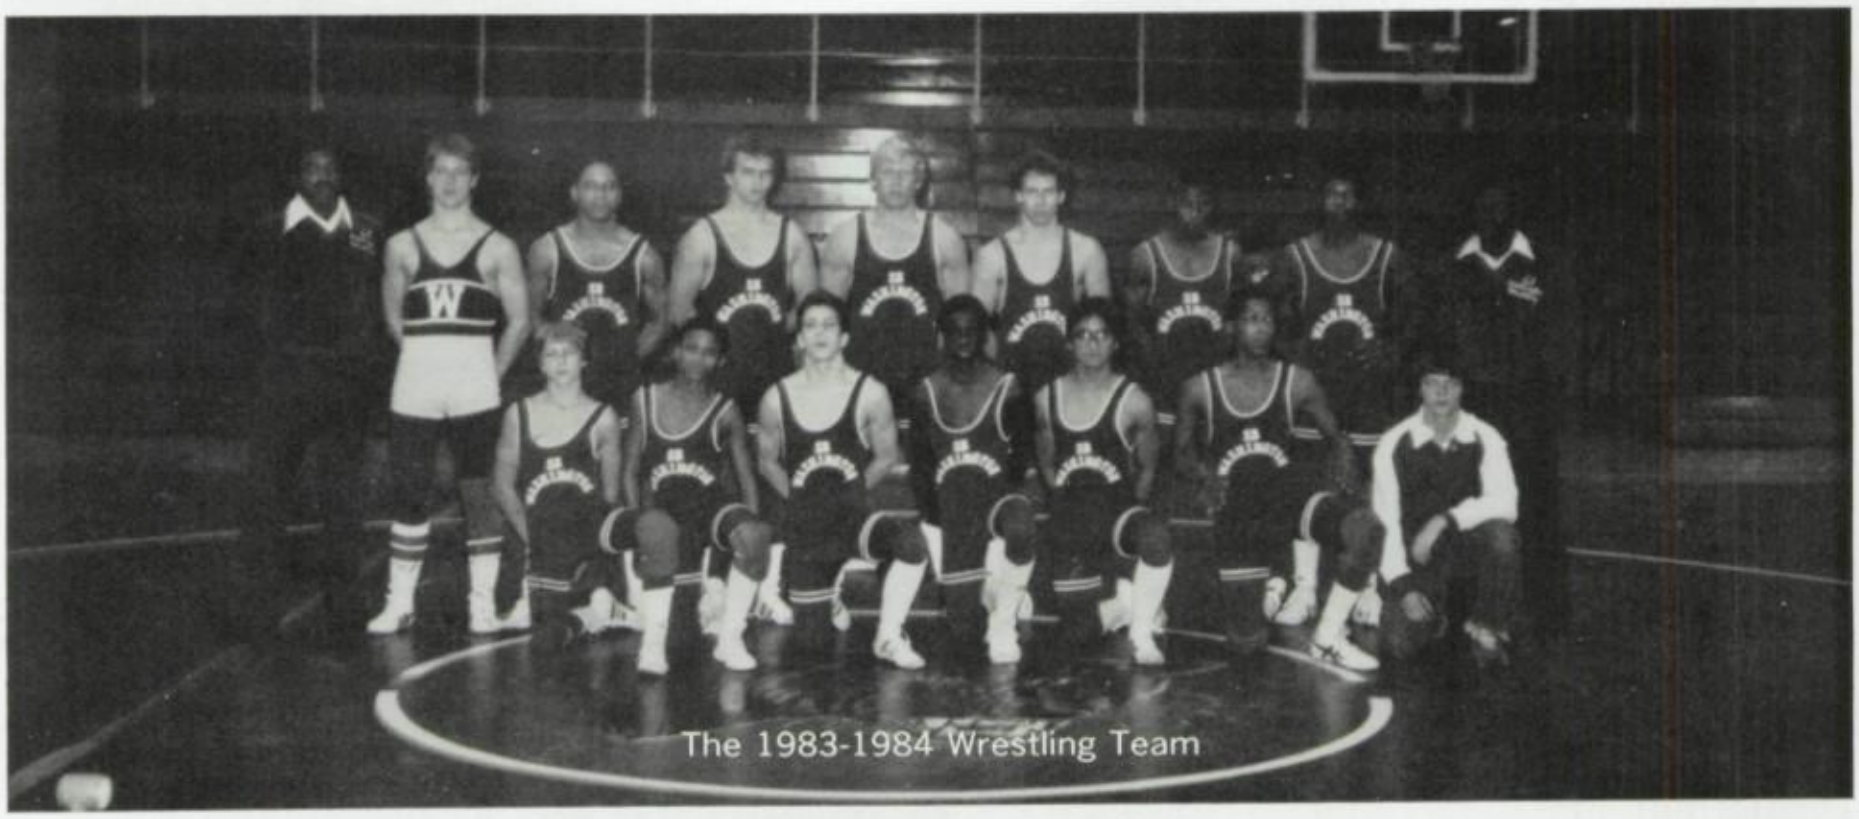
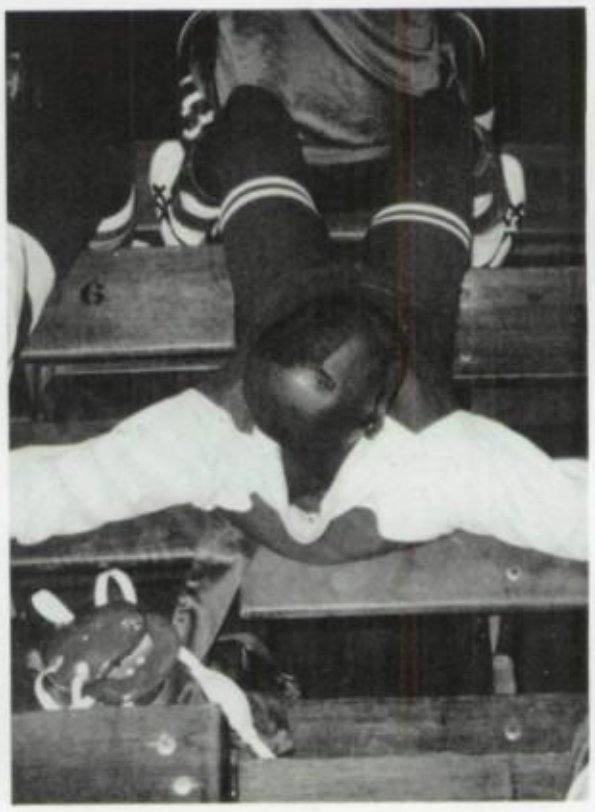
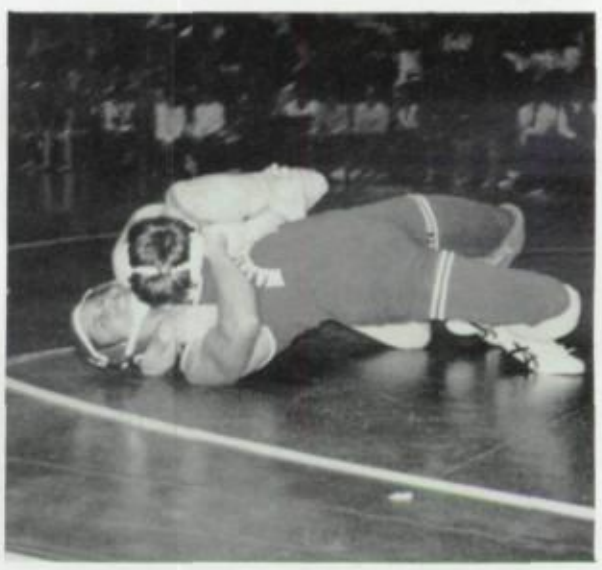
Our Faithful Mat Maids

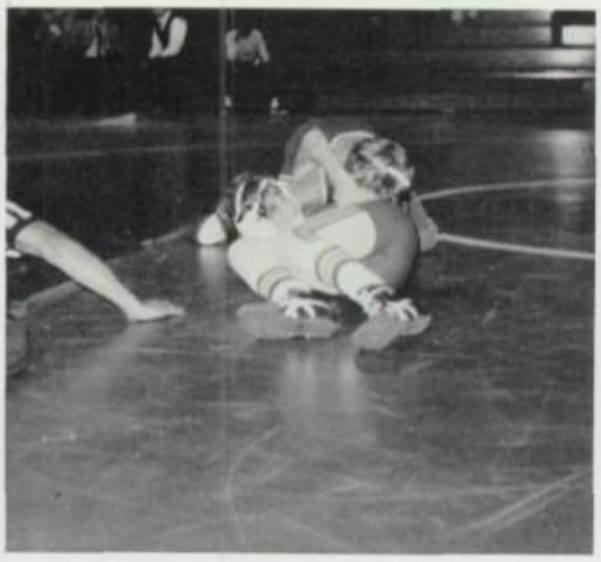


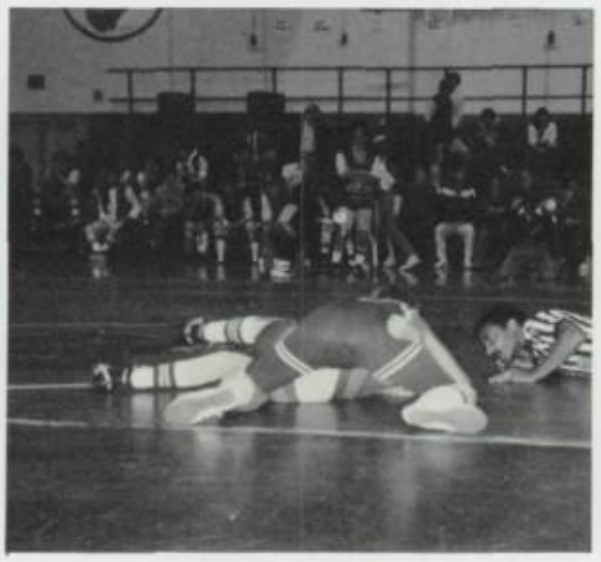
The 1983-1984 Wrestling Team



W.H.S. Panthers Do It On The Mat "Top Dog"





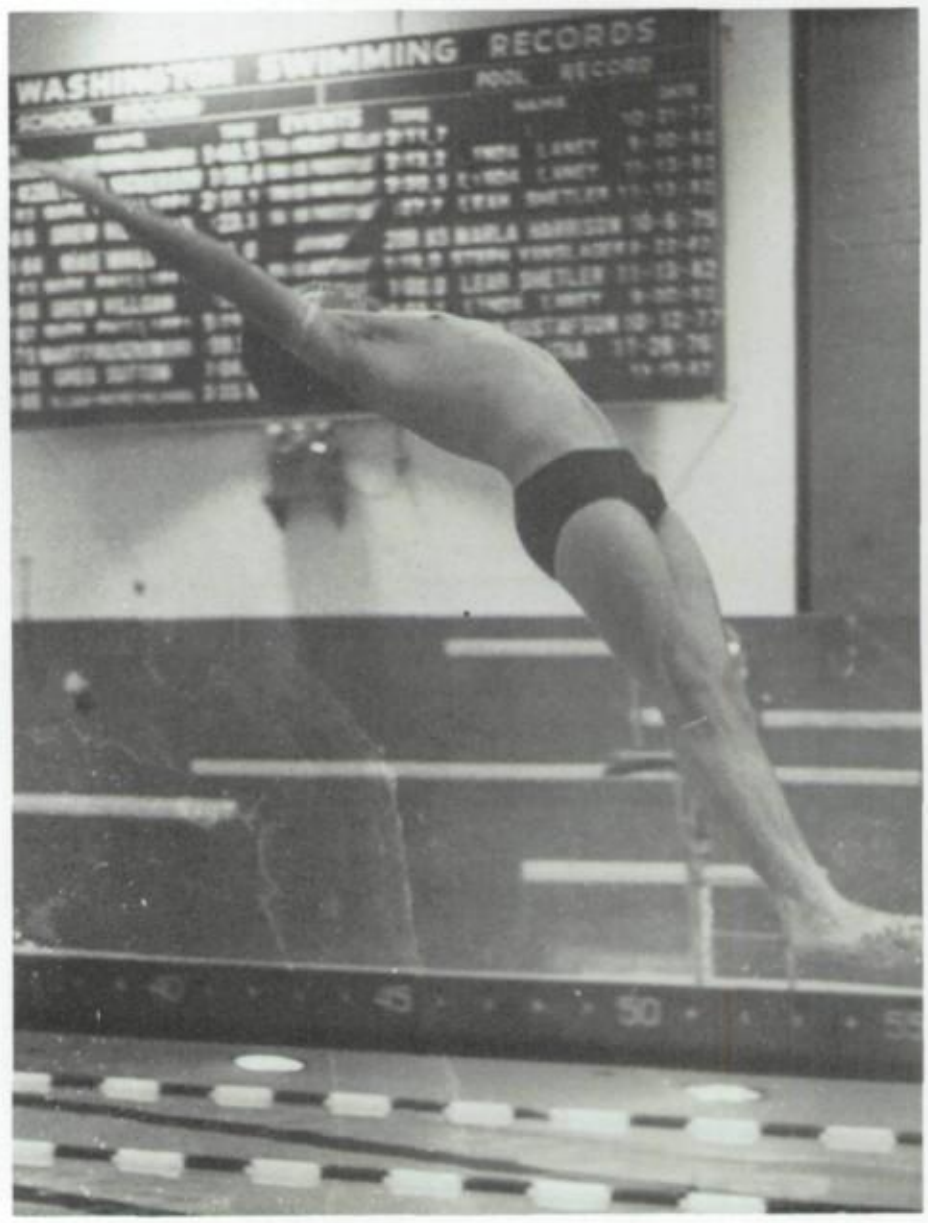


Above: The 1983-84 Boy's Swim Team consists of: Steve Egyed, Bob Pzebnicki, Tim Ciesialka, Bill Boon, John Wenrick, Dan Williamson, Mark Cygirt, Paul Ring, Walter Turner, Mark Kahms, Tim Anderson, Rodney Love, Randy VanWynsbergh, Tim Reed, Jim Brown, and Tony Lentych. Mr. Hamilton was the coach.

The 1983-84 boy's swim team coached by Mr. Ron Hamilton had a 0-9 record.

Although the team had a pretty tough season, the individual performances were impressive. The swimmers were led by co-captains Jim Brown and Tony Lentych. Mike Young and Bob Rzebnicki also had good performances.

The season was a rebuilding year for the team, for there were only four returnees.



Above: **Mark Dahms** is showing great form in his dive.

Varsity Basketball

The 1983-84 basketball season could only be measured in terms of determination and dedication of the players and coaching staff. Faced with the loss of five starters from last year's team, the young and inexperienced Panthers took on a tough schedule with enthusiasm and tenacity. Besides the rugged Northern Indiana Conference opponents, the Panthers played seven teams that were ranked in the top twenty during the season including top ranked Michigan City Rogers and Delray Brooks, who many considered to be the top player in the state. Nevertheless, the Panthers met every challenge head on by playing hard, fast, and exciting basketball. Included in their wins was a victory over highly rated Elkhart Central which led to the team being honored as WSBT's "Team of the Week" in Michiana.

The Panthers were led by the scoring and rebounding of Eric Chambliss and Charles Black along with the quickness and shooting skill of Andre Wells. Tommy Lee, Darryl Corkey, and Rodney Gadson provided senior strength and leadership. A strong sophomore class, led by Kevin Kowalski, Jimmy Jackson, and Eric Crittendon gained valuable varsity experience and should insure a bright future for the Panther fortunes. This season's Panther team played with the courage and dignity expected of Washington athletes and maintained the tradition of West Side Pride for the younger players to follow.

"Coach Weber"

Andre Wells

Rodney Gatson

The 1984 Freshmen Basketball season was coached by Mr. Waller. Skills were taught that would enable freshmen hopefuls to have the ability to play B-Team and perhaps even Varsity ball in later years. The freshmen were able to build up an impressive 7-7 record with several close losses throughout the season.

Girls' Basketball

Michelle Lewis, Cindy Kirkendoll, Tina Kilgore, Erica Jones, Terri Smith, Mr. Lynn Mitchem, Debbie Wyler, Mary Williams, Wanda Jones, Denise Brooks, Gwen Bradford, Carla Baker.

I feel that the team has really improved throughout the season. We all worked hard and gave it our best effort. We seemed to have had a good coach this year who worked hard with us. This year we worked even harder than before because everyone doubted us, but I feel that we had a good year, but as always, it could have been better.

Mary Williams

The Girls' Basketball program has improved a great deal. It was not an easy task to get these improvements of team cooperation, determination, and attitude accomplished, but the most enjoyable aspect was having fun while doing the job at hand. With such a positive start, the future holds much promise for Girls' basketball. Thanks went to the coaches. Head coach was Mr. Lynn Mitchem and B-Team coach was Ms. Alsop.

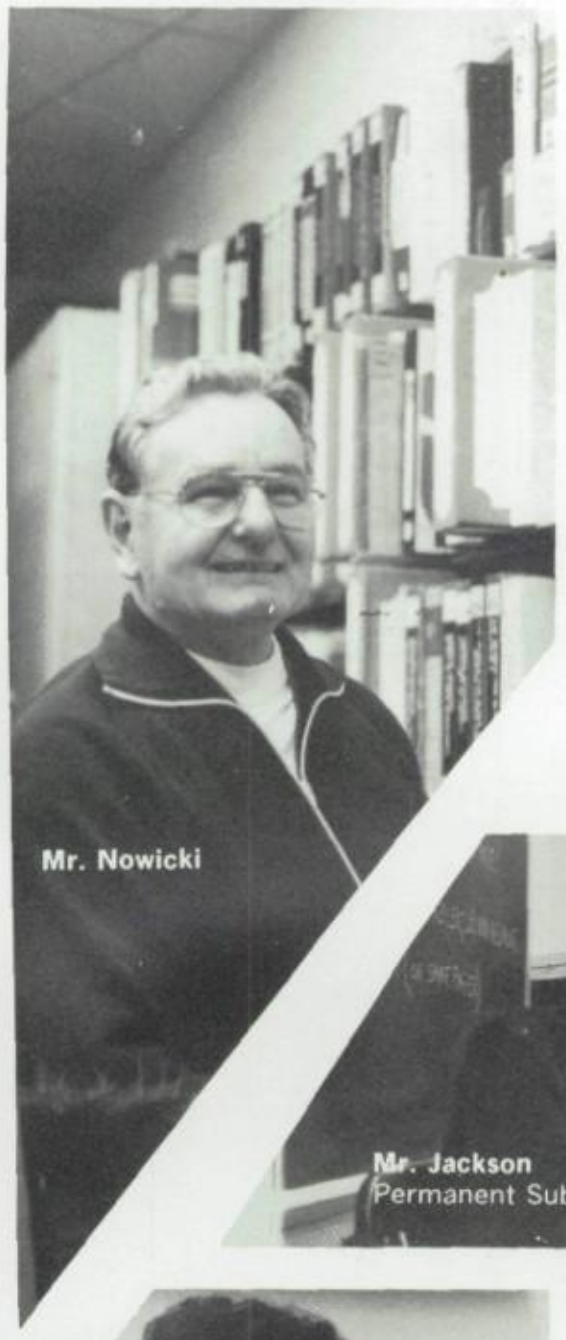
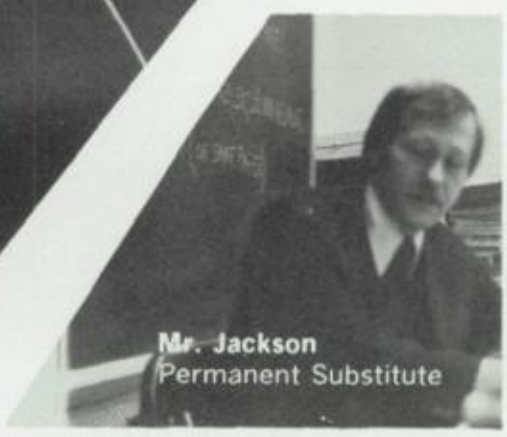
Retirees



As the doors of the 1983-84 school year closed, our hearts became saddened to learn that three of our faithful staff members were also closing the doors on their careers. We wanted to take the time now to wish **Mr. Nowicki, Mrs. Kodba,** and **Mrs. Stump** farewell and good luck as they entered a new episode in the "Memories of Their Lives."



Mr. Herczeg, Mr. Jackson, Miss Jenkins, Mrs. Moreno, Mr. Wheeler, and Mrs. Hall were an important part of our school. Some of us may not have known who they were, but we reaped the results of their efforts.

Unforgettables

What's New At W.H.S.

Several new programs and groups emerged as the second semester of the 1983-1984 school year began. Among those miscellaneous programs were the SAT Preparation Lab, the RAP (Raising Academic Performance), The Quiz Bowl, and the TESA (Teacher Expectations and Student Achievements).

The SAT Preparation Lab helped students to prepare themselves to score well on the upcoming SAT. Computerization was a technique used, and Mrs. Drapek was in charge of the program.

RAP was a program designed to raise the academic achievement of some minority students, and TESA was a teacher self-help program where teachers helped each other to improve their professional competences.

Dressing up their image this year was the WHS Flag Corp as they sported new uniforms and new routines. The Flags performed at several events.

The newly developed academic team at Washington High School was that of the Quiz Bowl. It was sponsored by Mr. Killeen and was comprised of members ranging from freshmen to senior students. The team competed against students from Adams, Clay, La Salle, and Riley High Schools and answered questions on subjects such as mathematics, science, history, home economics, entertainment, and sports in meets in a season from January to March.

Pictured above are Quiz Bowl **Coach Killeen** and team members **K. Kochanowski, L. Strader, T. Ditmire, M. Hauguel, M. Laskowski, S. Sikorski, and R. Snidecki.**

Memorial Hospital was so pleased with the spring semester of their Adopt-a-School program with WHS that they requested WHS students to participate for a second year.

The program is designed to allow sophomores to gain insight into career opportunities which include specific skills and knowledge. Students are also required to perform certain job functions. From gaining job knowledge, students determine the education requirements and therefore are able to prepare their course selections for the career desired.

The design of the program allows students to visit thirty different careers. The students visit the hospital every Thursday, alternating mornings and afternoons. Each station evaluates each student after each visit and sends the evaluation to Dr. Cohen.

Each student upon successful completion of the thirty-week class will receive a half credit per semester.

Students are placed in the job areas for two hours only because the time required for hospital visits is part of the student's existing schedule.

'84 MEMORY LANE was
y different than most of
previous yearbooks. Instead of
usual green cover, we decided
it was time to change the
olor. We also added much more
olor due to a good financial
ituation. The design of an
ourglass was picked out to go
long with the theme "Memories
of Our Lives." The theme was
chosen because that's the purpose
of a yearbook — to capture the
memories of our lives. Our high
school years are filled with many
unforgettable, good times and we
hope your 1984 yearbook will help
you remember those times in
years to come.

A lot of hard work and
dedication by the entire staff was
needed to make this book a
success. I would like to thank
them all. I would also like to thank
Kathy B. for all her help and also
Greg Gray for all of the running
around he did taking pictures for
everyone. A special thank you
goes to Mr. Beckman, our Josten's
representative, for all of his
patience, understanding, and time.
Finally, I would like to thank Mrs.
Swintz for another fine year. We all
appreciated all of the time she
spent on the yearbook and wish
her all the best in years to come.
We will miss you.

I realize that you can't please
everybody all the time, but I
sincerely hope that for the most
part your 1984 MEMORY LANE will
hold some special memories of
your high school years.

Pam

To

I miss you in Chemistry but I guess you're having fun with your fish. Mr. Kraft is turning out to be an old softy. It's pretty cool now that you have your sportscar. Just stay cool & remember the fun we've had in Chemistry playing. Just don't let them people at work get your down. Stay cool & remember the fun we've had in Chemistry even though we didn't do so well in there. I'd like to wish you luck with Joe. If you love him, make it work. That's the best advice I can give you. Just take it one step at a time and make a go of it! Good Luck in your last 4 yrs. at W.S. and in everything you do. Just remember, if you need somebody to talk to, I'll always be here to listen to you. R/M/A

[illegible] are
about 3 years ~~for~~ of
our friendship gone by
and in retrospect I would
say they were years well-spent with a
wonderful friend. You are a unique
and special person so don't let any cramp your
style or limit your dreams. Keep your head on
straight and take care of Joe. When I get my
permit, can I borrow your car ~~part~~ permanently?
(Just kidding) Anyway, I'm looking to 100 more years
of friendship in the future. I wish you all of
the luck, happiness, health and prosperity you
can hold. Your friend,
